

Seeking Guest Editors for *TAM Technology in Action*

Publications Chair Cynthia Warger is seeking applications for guest editors for Volume 3 of *TAM Technology in Action*. Guest editors are responsible for preparing the content for 1-2 issues of the publication. The guest editor also may be one of the authors.

TAM Technology in Action is distributed with the *TAM Connector* newsletter published February, May, August, and November. It is designed to present evidence-based information in a practical format. The publication is distributed to all TAM members. The current issue can be found on the TAM website. *TAM Technology in Action* issues also are published in the TAM Monograph series.

Possible issues:

May 2008

August 2008

November 2008

The editor is only responsible for preparing the content. TAM provides all copy editing, layout, and production services.
